Extended Care Registration Information

GENERAL INFORMATION – We are delighted to offer extended care hours for our College for Kids program. The extended care time begins at 7:30 a.m. You may take your child directly to our extended care **room 205 at the San Elijo Campus** and room 1038 at the Oceanside Campus to check them in with our camp counselors anytime between 7:30 a.m. and 8:45 a.m. Please do not drop off your child earlier than 7:30 a.m. All children arriving after 8:45 a.m. should be taken directly to the regular check-in station in front of our Art Building 2000 and will be greeted by our camp counselors for morning classes. Any child attending extended care will be walked directly to their first class each morning when classes begin at 9 a.m.

Children who are signed up for afternoon extended care will be walked to **room 205 at the San Elijo Campus** and **room 1038 at the Oceanside Campus** immediately following their afternoon camp and will be supervised until a parent arrives to sign them out. Hours for the afternoon care will be available from 4:00 p.m. until 5:30 p.m. While we love to have your children here with us, we do not have staff available to watch your children beyond the extended care times without charging an additional fee. Parents will be billed an additional \$10 for each 15 minutes after 5:30 p.m.

COST – \$20 per week for AM extended care

\$20 per week for PM extended care

\$35 per week - discounted for both AM and PM care

FLEX PROGRAM - If you need just one time of extended care on any morning or afternoon, you can sign up your child on a “drop-in” basis for only \$5 for that session. You can pay the sign-in camp counselor on that day. However, if your child needs more than a one-time drop-in, you will be billed for the weekly rate.

ACTIVITIES – Our extended care program will be supervised by our staff of trained camp counselors, all College-age or older. They will entertain and teach your children with additional activities that will include board games, art projects, light sport activities, G-rated movies with popcorn, card castles, math games, sculpting, experiments, stories, etc.

FOOD – Parents are responsible for providing snacks, lunches and water for their child(ren) for all camps and for any extended hours care. Please make sure your child(ren) have a healthy breakfast and/or lunch prior to attending College for Kids.
