ADT's and Area F

If students began before Fall 2021 and had continuous enrollment-they can use the previous CSU-GE pattern without Area F for any degree, including ADT degrees. It is when they began at community college that determines what GE plan they are eligible to use for that degree.

CSU-IGETC and Area F

Students who maintain catalog rights to any year prior to Fall 2023, are exempt from the new IGETC Area 7. **Continuous enrollment not required.**

JB- May 2024

Please check with an Evaluator if there are questions, If the Evaluator is uncertain, they will check with the Articulation Officer.
