Proficiency Test Certification

Student _____ ID _____

I certify that this student possesses the basic language proficiency in the following language: _____.

I assessed this student's ability by:

1. Requiring the student to answer in writing and verbally after reading material written in the language listed above.
2. Determining that the student has basic knowledge of reading, writing and speaking in the present tense, basic tenses (preterite and imperfect) and simple future tense with basic vocabulary of approximately 1,000 words.

This assessment indicates that the student's ability is equivalent to at least two years of high school foreign language coursework taught in the United States.
