+CalGETC Aligned General Education

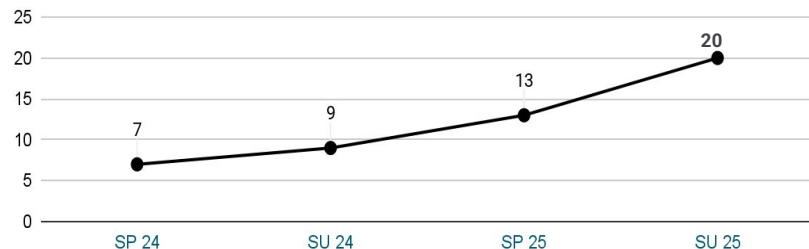

Oceanside USD

Dual Enrollment Internship Program

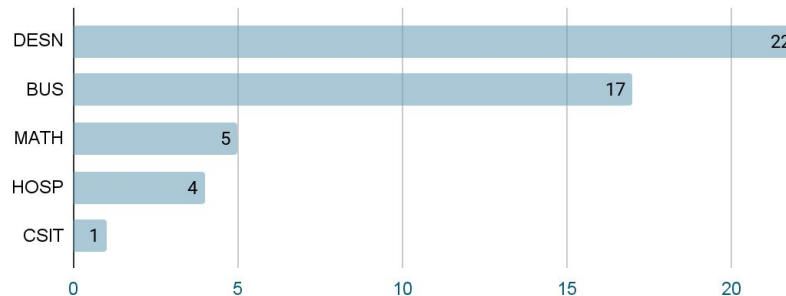

Internship Numbers

Interns by Semester

Course Program Type

Funding Received

- City of Oceanside MeasureX Program (local city grant)
- Initial 23/24 award of **\$36,720**, 24/25: **\$60,000**, 25/26: **\$30,000**

Student Feedback

- Students shared growth in communication, confidence, and time management skills
- Paid, hands-on learning opportunities helped inform students' career and major goals

"Thank you for this amazing opportunity ! This is something I will never forget , and now going into summer they want me to continue working with them due to the internship. Not only did it help me with customer service but it clarified to me that I wanted a job in business." – Spring 2025 Intern

Partnership Update

- In discussions to transition into a CCAP Dual Enrollment agreement
- Onboarded SCHS instructor to teach BTEC courses in Spring 2026

- 2-course math sequence
- Exploring Kinesiology/
Nutrition

New Partnership Requests

Expanding Dual Enrollment

San Marcos USD

- Establishing a CCAP Dual Enrollment agreement to offer a 12-unit Horticulture pathway at San Marcos High School (starting in Fall 2026)
- SMHS has a high school teacher who may meet minimum qualifications

Altus Schools (Audeo)

- Exploring a non-CCAP dual enrollment agreement

Classical Academies, Coastal Academy High School

- Establishing a dual enrollment agreement (CCAP)
- High school was awarded a K-12 College and Career Access Pathway grant to support with implementation of program

04

Program Updates

Staffing

New Role: Dual Enrollment Program Manager

- Omar Jimenez started as Dual Enrollment Program Manager on 9/22/2025
- Will provide dedicated leadership for the Dual Enrollment Program ensuring students have early opportunities to earn college credit
- Will coordinate program day to day operations and compliance to state & local legislation to ensuring a seamless connection between high school and college

Technology Solution

Dual and Concurrent Enrollment

Goals:

- Develop a technology solution using TargetX/Salesforce CRM to streamline the registration and onboarding process for high school students (dual and concurrent enrollment)
- Provide a one-stop-shop platform for student support/case management for dual enrollment students to track student progress and ensure success
- Provide a platform for real-time data sharing and collaboration between MiraCosta and its high school partners
- Target Launch: Spring/Summer 2026

Dual Enrollment

HOME / ADMISSIONS AND AID / HIGH SCHOOL STUDENTS / DUAL ENROLLMENT

Dual enrollment is an arrangement that allows high school students to take college classes at their high schools before, during, or after the school day. Students get credit for both a high school course and the college course - that's why it's called dual enrollment.

VIEW COURSE SCHEDULE

Learn More About Dual Enrollment

Benefits

- Free Tuition - No cost for tuition, and your high school covers books and materials!
- Take Classes with Your Peers - Join classmates in college-level courses.
- Class Schedule - You can take up to 11 units per fall and spring term, and 8 units per summer session.
 - OUSD students: Can take up to 15 units in the fall or spring, and up to 9 units in the summer. For more details, check MiraCosta College AP 5011.
- Earn High School Credits - You can request 10 high school credits for a 3-unit class.
- Weighted Grades - You may get a weighted letter grade if the course is added to your high school transcript - check with your counselor!
- Meet Honors Requirements - Some courses may count towards honors graduation requirements at your high school - talk to your counselor for details.
- Boost Your College Applications - Show colleges you can handle college-level coursework.
- No AP Exam Required - Unlike AP, there's no test to pass for college credit!
