

BLANKET COURSE SUBSTITUTIONS FOR BIO 105 & PREREQUISITE CLEARANCE FOR BTEC 110

Per Stacy Ingham, Evaluator, here is a list of the Blanket Course Substitutions for BIO 105 by degree or certificate and prerequisite clearance for BTEC 110:

****BLANKET COURSE SUBSTITUTIONS:**

For the **Biomanufacturing** majors:

In lieu of BIO 105, the department also approves BIO 110 (100), BIO 111 (101), or BIO 204 for both the AA and the BS.

For the **Research and Development** major:

In lieu of BIO 105, the department also approves BIO 110 (100) or BIO 111 (101) for both the AA and CA.

For the **Laboratory Skills** major:

In lieu of BIO 105, the department also approves BIO 110 (100), BIO 111 (101), or BIO 204

**NOTE: Blanket Course Substitutions do not require Petitions for Course Substitution forms.

BLANKET COURSE PREREQUISITE/CO-REQUISITE:

For ***BTEC 110** course prerequisite/co-requisite:

In lieu of BIO 105, the department also approves BIO 110 (100), BIO 111 (101), or BIO 204 to satisfy this prerequisite.

*Students still need to fill out a Prerequisite Clearance Form to clear the hold in SURF if they are using any other course besides BIO 105 as a prerequisite or co-requisite.
