This brochure was funded by the Carl D. Perkins Career and Technical Education Improvement Act of 2006 (19-C01-032) awarded to MiraCosta College and administered by the California Community College Chancellor's Office. The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to age, ancestry, color, physical or mental disability, pregnancy, gender, gender identity, gender expression, marital status, medical condition, genetic information, national origin, parental status, race or ethnicity, religion, sexual orientation, military or veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

Shaping Minds for Success.

ACCOUNTING & TAX PROGRAM

The accounting program at MiraCosta is designed to provide relevant instruction in the accounting profession both for transfer and the bookkeeping and tax preparation fields. The program gives students both the theoretical and hands-on experience needed to establish and advance their career with flexible courses that meet days, evenings, weekends, and online. Experienced instructors bring the subject matter to life and provide a rewarding educational experience.

Courses include financial and managerial accounting; individual tax preparation, bookkeeping, and payroll; as well as business taxation and IRS tax volunteer preparation.

Students take accounting and tax program courses to prepare for the major, complete job-related certificates, earn continuing education units (CEUs) for professional licenses, and fulfill general education requirements.

GAIN EXPERIENCE OUTSIDE THE CLASSROOM

Activities outside the classroom include industry tours, internships, and guest speakers from professionals in the field.

DEGREES & CERTIFICATES

Certificates of Proficiency are designed to be the first step in a career ladder through the introduction to one aspect of a trade or occupation.

- Accounting Assistant
- Income Tax Preparer
- Income Tax Professional
- Payroll Professional

Certificates of Achievement quickly prepare students for immediate employment in specific accounting career areas.

- Accounting
- Bookkeeping

Associate Degrees in Accounting are offered to provide students with the hands-on knowledge and skills to secure a career in the field. An associate degree requires completion of a Certificate of Achievement and general education courses specified in the MiraCosta College catalog.

- Accounting
- Bookkeeping

For more information about associate degrees and certificates, please contact the Counseling Department at 760.795.6670.

PROFESSIONAL CERTIFICATIONS & AFFILIATIONS

A primary goal of the accounting and tax programs are to prepare students for professional certifications and affiliations designed to enhance opportunities for entry to and advancement within the accounting profession. These include:

- California Registered Tax Preparer (CRTP)
- Enrolled Agent Exam (EA)
- Fundamental Payroll Certification (FPC)
- Certified Bookkeeper Designation (CB)
