"The professors are knowledgeable and really care about their student's success. I also love that the library has free CS tutoring Monday through Saturday."

—Jonah Bond, software engineer at Cisco

This brochure was funded by the Carl D. Perkins Career and Technical Education Improvement Act of 2006 (18-C01-032) awarded to MiraCosta College and administered by the California Community College Chancellor's Office. The district, and each individual who represents the district, shall provide access to its services, classes, and programs without regard to age, ancestry, color, physical or mental disability, pregnancy, gender, gender identity, gender expression, marital status, medical condition, genetic information, national origin, parental status, race or ethnicity, religion, sexual orientation, military or veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.
